

# EXPLORING CITY OF AUSTIN GREEN ROOF BENEFITS

A Green Roof Advisory Group (GRAG) was formed by City Council [Resolution No. 20090827-057](#) to “to explore the feasibility of offering energy and stormwater credits and other incentives, based on performance, to encourage the creation of green roofs in the City.”

Please join us for an update on the GRAG’s progress and [interim report](#). A presentation will be followed by a question and answer session.

The Advisory Group needs your valuable input to help complete its mission!
